Dear Brent:

I wanted to take this opportunity to thank you and all the people at New Light Media for a wonderful presentation of your documentary "Journey to a Hate Free Millennium." It was both inspiring and thought provoking. I know that it made an impact on me, as I know it did on all who witnessed it.

I also want to express my appreciation for the guest speakers, especially Judy Shepard. Her heartfelt words about her son Matthew, reaches to the core of all of us who are parents. I applaud her efforts to combat prejudice and injustice.

Your documentary is truly an inspiration. On behalf of the Lakewood City Council, we wish you continued success. You made us all look inside of ourselves and see just how we too can combat hate in our own lives.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Burkholder".
